The UK's Innovation Cluster

Birch Business Park is located within the Northern Gateway area, now part of the Atom Valley Mayoral Development Zone (MDZ), which has been created to promote high tech industries, innovations, and economic growth within the Northern Gateway to Greater Manchester. It's goal is to position Greater Manchester as a leader in cutting-edge industries.

Northern Gateway

The area immediately surrounding Birch Business Park forms Northern Gateway. This will eventually provide up to 11.5m sq ft of new employment space. This will include new road improvements to improve access to and from the M60, M66 and M62.

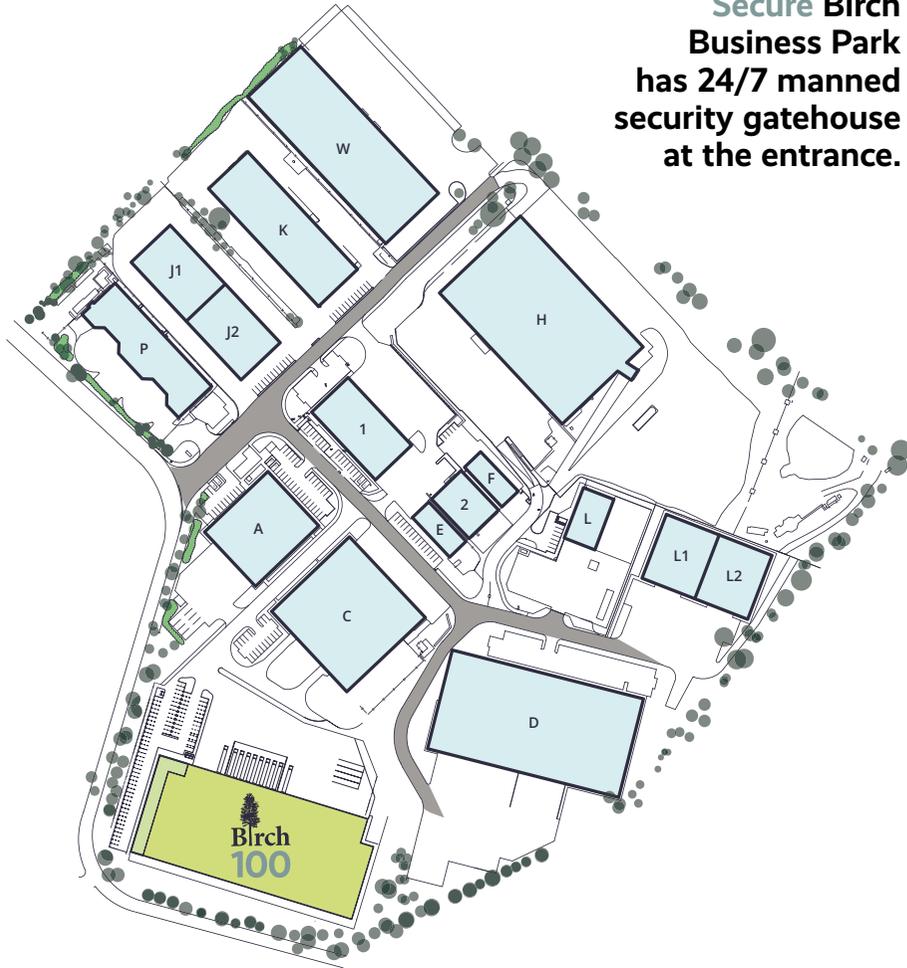

Birch Business Park is within Rochdale and we are working with Rochdale Development Agency to promote investment in the area from existing occupiers and inward investment.
