Industrial space.

Made better.

Unit 10
11,371 sq ft

Set within an established industrial location, Beckton Trade Park offers a selection of four newly refurbished units ranging from 7,747 to 33,996 sq ft.

With hundreds of new homes planned for the area, demand for last-mile logistics, trade counters and courier businesses is on the up. Almost 4.5 million people live within a 30-minute drive, putting customers, workforce and opportunity firmly within reach.

Popular

for a reason.

Beckton sits at the centre of one of the UK's largest retail warehousing clusters, with over 730,000 sq ft of food, leisure and retail space nearby.

It's a location that's already proven itself, with occupiers including Howdens, Screwfix and Rexel, plus Sainsbury's, B&Q, Britvic, BSS, Booker, Royal Mail and HSS across neighbouring estates.

Zone in on Central London.

E6 GLP ///option.frame.artist

Beckton delivers serious connectivity.

With its Zone 3 location, Central London is on your doorstep, with unrivalled access to the A406 North Circular Road and A13 Interchange. Tilbury Docks and London Gateway Port are also nearby, providing access to the UK’s shipping network.

In terms of transport, Beckton DLR station is a 10-minute walk away, and London City Airport is directly south, ideal for commuting and international business.

Available units

People first. As it should be.

No overengineering. No box-ticking.

Our units are designed to be inviting and accommodating for those who work there. This helps create a comfortable environment that's better for businesses, customers and employees alike.

Common sense upgrades. For uncommon returns.

● Extensive Landscaping

● Units 10, 11 & 12 Exterior - Computer Generated Image

● Newly fitted roof panels for enhanced natural lighting increasing staff welfare and efficiency

● High quality materials used throughout for a clean, modern finish

Take charge of your bills.

Sustainability and workforce wellbeing go hand in hand. With LED lighting that’s easy on the eyes, and PV panels that lower your bills by up to £5,000 per year*, this is a warehouse that feels smart from the moment you step inside.

*Calculated according to a 25p/kWh electricity unit rate (subject to all generation being used on site).
Estimated based on the installation of the 23 kWp system and an annual energy generation of c.20,000 kWh.

01. Only the best locations will do.

We know where the opportunities are and we want to put you there.

02. Always right there with you.

Easy access to an experienced team who love getting things done.

03. Creating spaces people are proud of.

Because an industrial space should back you, not hold you back.

You deserve industrial space that works as hard as you do. Perfectly placed urban space built for your last mile, trade or light industrial needs. Efficient, inviting and expertly managed by ARGO.

Industrial space.
Made better.

Get in touch,
we'd love to
show you
around.
