BLOOM ENFIELD

A workplace to be proud of

Like all Bloom estates, Bloom Enfield is designed to help your operation run as seamlessly and sustainably as possible, all while creating a working environment employees can thrive in.

These units have been refurbished to combine functionality with sustainability. Accessibility to the asset is via the two-way northern and east estate road from Jeffrey’s Road with a separate southern exit point also available. The estate has enhanced parking and benefits from 12-17m yard depth to provide an operationally efficient option for businesses from various sectors. In terms of its sustainability, the asset has air source heat pumps, LED lighting and an EPC ‘A’ rating, which helps support efficient, cost-effective and sustainable operations.

Pricing is available on application.
