THE CODE FOR LEASING BUSINESS PREMISES

The Code for Leasing Business Premises in England and Wales strongly recommends you seek professional advice from a surveyor or solicitor before agreeing or signing a business tenancy/lease agreement. The Code is available [HERE](#).

These particulars are believed to be correct, but their accuracy is not guaranteed and they do not form an offer or contract. STRICTLY SUBJECT TO CONTRACT, ALL MEASUREMENTS APPROXIMATE. Agents note: At no time have we undertaken a structural survey and services have not been tested. Interested parties should satisfy themselves as necessary, to the structural integrity of the premises and condition/working order of services, plant or equipment.
