## Description

Parkers Yard comprises two high quality units situated within a secure compound fronting Ripley drive.

Building 1 has office and pedestrian access to the front and substantial, high quality office, stores, labs, and amenities spread over two floors. The offices benefit from raised access flooring, air-handling, LED lighting and gas fired central heating. The warehouse area to the rear is a high quality modern facility with roller shutter access to both the side and to the rear yard area. The works have a clear working height of 5.4m and are fully lit.

Building 2 benefits from two loading doors to the yard area, a clear working height of 8.3m and LED lighting. Internally the unit benefits from ground floor works offices and toilets.

Both units are of steel frame construction with brick and metal clad elevations and load bearing concrete floors.

The facility benefits from a large secure yard with HGV access.

## Location

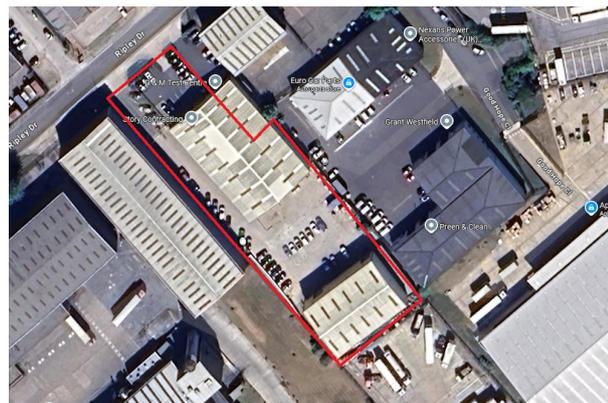

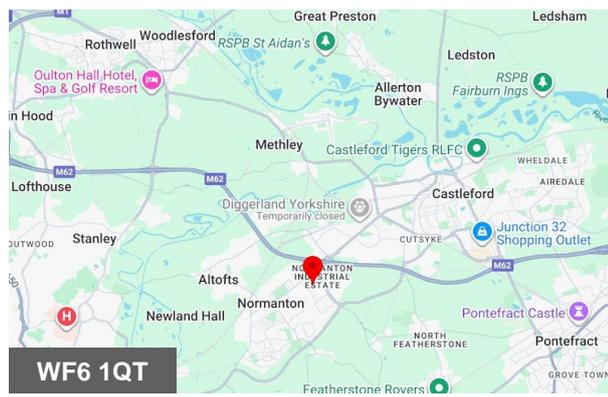

The property is situated adjacent to Junction 31 of the M62 between Normanton and Castleford, at the heart of what has become one of the prime industrial locations in the region.

The development sits virtually half way between the intersection of the M62 and M1 and A1 and at the centre of the Greater Leeds/West Yorkshire conurbation.
