# ABOUT US

Base was founded in 2015 by two tech entrepreneurs who struggled to find a stress-free, high-end, and flexible office space. Frustrated with inadequate options, they decided to create their own solution focused on what truly matters in a workspace.

Today, Base has expanded across London, providing stylish, hassle-free offices for like-minded businesses. We simplify the process with a flat fee, handling all the details so you don't have to.

Our offices are fully equipped from day one, complete with essentials like milk and beer in the fridge. Just sit down and get to work. We also collaborate with talented interior designers to ensure each office has a stunning vibe.
