A1/A2 Retail and Financial/Professional services

Total floor area

73 square metres

## Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

## Energy rating and score

This property's energy rating is D.

Properties get a rating from A+ (best) to G (worst) and a score.

The better the rating and score, the lower your property's carbon emissions are likely to be.

## How this property compares to others

Properties similar to this one could have ratings:

If newly built

**26 B**

If typical of the existing stock

**75 C**

## Breakdown of this property's energy performance

|                                                                     |                                 |
|---------------------------------------------------------------------|---------------------------------|
| Main heating fuel                                                   | Grid Supplied Electricity       |
| Building environment                                                | Heating and Natural Ventilation |
| Assessment level                                                    | 3                               |
| Building emission rate (kgCO <sub>2</sub> /m <sup>2</sup> per year) | 109.76                          |
| Primary energy use (kWh/m <sup>2</sup> per year)                    | 649                             |
