20 Margaret Street

20 Margaret Street

Description

20 Margaret Street is an impressive Art Deco-inspired building featuring unique timber panelling within the reception and throughout the common areas. A light refurbishment to the shared areas is scheduled, which will further enhance the building's character and arrival experience.

The available first, second and fourth floors have each been refurbished to a high standard and are delivered fitted, benefiting from excellent frontage and superb natural light. The specification includes comfort cooling, LED lighting, engineered timber flooring, perimeter trunking and integrated kitchenettes, providing modern, efficient workspace in a characterful setting.

The building enjoys a prime West End location, just moments from Oxford Circus Station and surrounded by the exceptional retail, dining and corporate occupiers of Regent Street and Fitzrovia.
