GENERAL DESCRIPTION

A large town centre property principally arranged on the ground floor with a sales area of approximately 2,800 sq ft and a further sales area on the first floor extending to approximately 2,700 sq ft. There are additional storage and office/plant room areas at second floor level plus basement space. The building benefits from an internal customer/passenger lift and goods lift located at the rear. There is a customer staircase through the middle of the property and staff/emergency staircase at the rear. To the rear and accessed off The Midway is a private carpark for multiple vehicles also providing a loading area to the rear of the property. The property could be used for retail or leisure purposes and the upper floors also lend themselves to residential conversion, subject to planning where necessary.

LOCATION

The building is situated in the centre of Newcastle-under-Lyme close to national retailers, Holland & Barrett, The Works, McDonalds and Clintons Cards. The outdoor market is directly in front and the new multi-storey car park within a 5 minute walk. Newcastle is undergoing a huge regeneration programme with new mixed-use developments replacing older tired buildings within the town centre.
