DESCRIPTION

The site is a 1.44 acre development plot located on William Way . The subject plot is rectangular in shape and has a partial tarmac covering, with its former use being a carpark. It has a small frontage to William Way where its sole vehicular access point is and borders the Mid-Sussex Retail Park to the south. Neighboring occupiers include CAE, RF Solutions, GD Rectifiers, and the Driver & Vehicle Standards Agency.

LOCATION

Burgess Hill is one of the largest towns in mid-Sussex and is strategically located along the A23 corridor, with convenient access to the A23/M23 via the A2300 providing great connectivity to London (c. 40 miles), Gatwick Airport (c. 16 miles) along with Brighton (c. 10 miles) and the wider South coast via the A27. Burgess Hill also has a railway station which provides a direct service to London Victora and London Bridge in just under 1 hour. The site is adjacent to CAE, the Mid Sussex Retail Park, and a short distance to the Tesco Superstore.
