MORE THAN JUST A LOGISTICS PARK

WE KNOW YOU WANT TO BE FREE TO LOOK
AFTER THE THINGS THAT MATTER MOST.

That's why, when you move your business to a Prologis Park, we give you access to our dedicated Property Management Team and a range of Park Services designed to make life easier for you.

From Park security and maintenance through to gritting the estate roads and helping you get employees to and from work, our team will help you take care of business and maintain your competitive advantage.

The scale of our Prologis Parks means we can also offer additional services like snow clearance and cleaning that would be unviable at a single unit or smaller scheme. Pooling resources means we can buy in bulk and offer the savings to our collective customers.

PARKlife™

I will be your main point of contact. I am passionate about the customer service we provide and derive real pleasure from watching the businesses on our Parks thrive. My real focus is around understanding our customers' needs and helping them grow within our network.

LIZ ALLISTER

Real Estate & Customer Experience Manager

From 15 years working with Prologis, I've found them to be extremely engaged and supportive of our ambition to be an employer of choice in the local area. We're in regular contact and have collaborated recently on a full refit of LED lighting and are currently in ongoing discussion about other initiatives to support our ESG commitments. The Prologis team are a real pleasure to work with and we look forward to working closely together for years to come.

Michael Gray, General Manager, Halfords.
