The Lounge

Ground floor amenity hub

Beyond the spacious reception lobby, the ground floor unfolds into a multidimensional amenity hub, curated to encourage a thriving and wellbeing-enhanced working life.

88 Beans café

A café to greet you on arrival. Baristas brew speciality coffee and serve light bites and healthy snacks throughout the day. Order and go, or take a seat for a quiet moment's work or social time while enjoying the bright, beautifully designed surroundings.

The Conservatory

This curated lounge provides focused moments away from the office, with functional workstations and comfortable seating for informal meetings, quiet work time, or phone calls. The double-height, daylit atrium space enhances this experience with its abundant biophilia, green wall and urban farm.

Studio 88

A state-of-the-art fitness hub powered by reFIT, offering complimentary classes and private sessions for individuals or teams. From high-intensity training to calm, meditative sessions, Studio 88 supports every workout and wellness routine.

Commuter facilities

Outstanding end-of-trip amenities offer an ideal choice for green commuting and lunchtime workouts. In addition to secure bike racks, there are ample lockers, showers with towel service, and vanity and changing areas.
