Description

Unit 7 comprises a semi detached industrial unit of steel portal frame construction, with brick and profile clad elevations.

The warehouse is accessed via an up and over sectional loading door in the side elevation. To the front elevation there is a separate personnel door, which gives access into a dedicated reception area.

The warehouse benefits from a minimum clear eaves height of 6m, three phase electrical supply and a mains gas connection.

At first floor there is additional office accommodation which benefits from glazed windows in the front elevation, carpets and LED lighting.

Externally there is allocated parking and loading.
