DESCRIPTION

The property comprises a detached community centre building of predominantly two-storey construction, with part single-storey elements, surmounted by flat roofs.

The ground floor provides a reception / office area, together with a large open plan hall incorporating a kitchen and sports hall area, with additional classroom / meeting room space located off the main hall. WC facilities are also provided at ground floor level.

The first floor, accessed via an internal stairwell and passenger lift, provides additional office and classroom accommodation, together with further WC facilities.

Externally, the property benefits from a large forecourt car park providing approximately 18 marked parking spaces, together with a rear overspill car park and a lawned garden area.

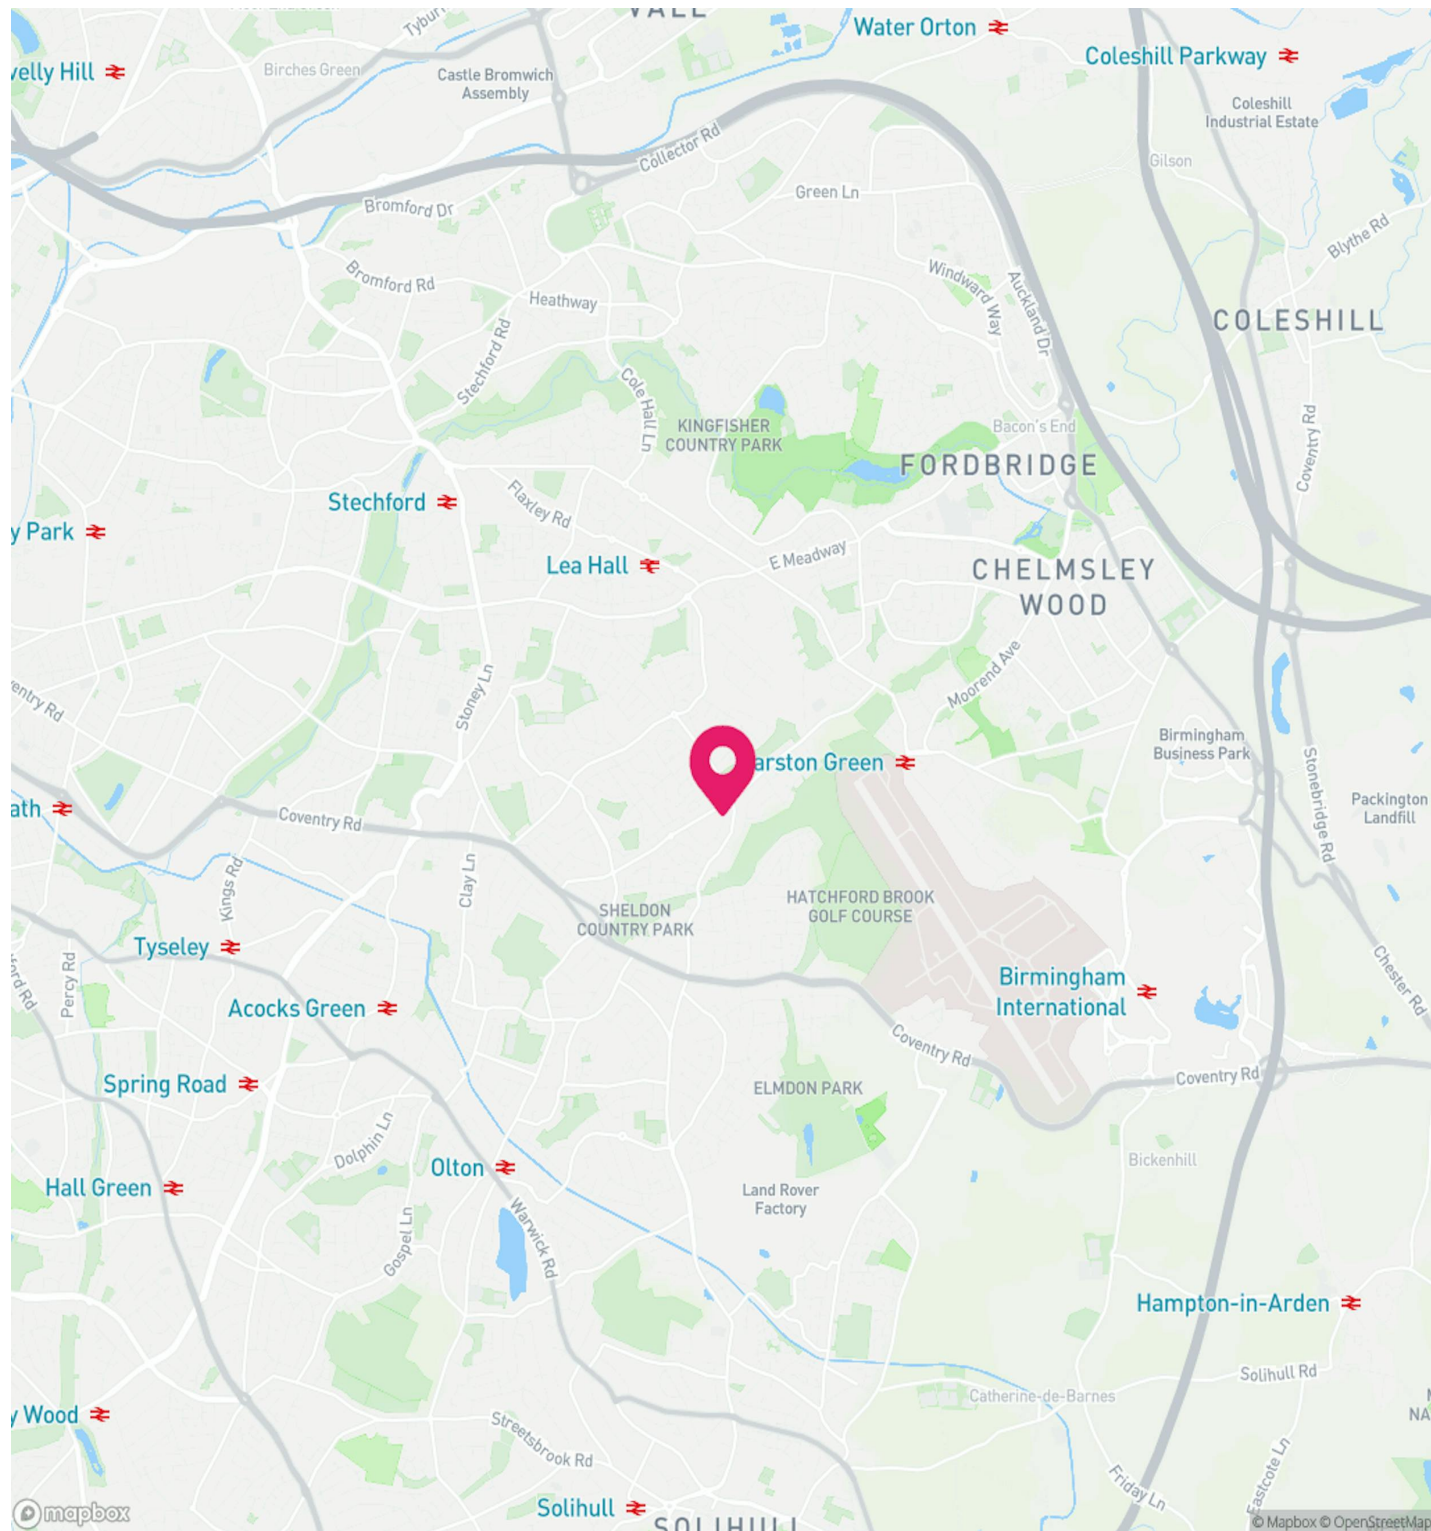

LOCATION

The property is located within the Sheldon area of Birmingham, a predominantly residential suburb situated approximately 5 miles east of Birmingham City Centre.

The location benefits from good access to the regional road network, with the A45 Coventry Road located nearby providing direct access to Birmingham City Centre to the west and Birmingham Airport and the NEC to the east, both situated approximately 2 miles away.

The M42 motorway is readily accessible at Junction 6, located approximately 2.5 miles to the east, providing access to the wider national motorway network.
