Further Details

Description

The premises comprise an end of terrace industrial/warehouse unit with two-storey office accommodation to the front.

The main warehouse is of blockwork construction beneath a pitched roof incorporating translucent daylight panels. The warehouse provides predominantly open-plan accommodation with an internal eaves height of approximately 5.6m, rising to approximately 7.2m at the apex. Loading is provided by way of a roller shutter door measuring approximately 3.8m wide x 5.3m high.

The office accommodation is arranged over ground and first floor levels and benefits from lighting, perimeter power points, windows, suspended ceiling (to part) and air conditioning (to part).

Externally, the premises benefit from a concrete surfaced forecourt providing loading access together with allocated car parking.
