Description

Little Darlings is a long-established baby and childrenswear boutique located in Hamilton, South Lanarkshire. Operating successfully for over 40 years, the shop has built a strong reputation in the local community for quality babywear, childrenswear, kids occasionwear and accessories.

The business offers a carefully curated selection of designer and everyday clothing for newborns and children, popular with local families and gift buyers alike. It has a well-recognised high-street presence complemented by an operational online store, enabling both in-store and nationwide sales. There is significant growth potential in the online and social media side of the business.

Location

Little Darlings is prominently situated on Glasgow Road in Hamilton, a busy thoroughfare that connects with local residential areas and benefits from good footfall. Hamilton itself is one of South Lanarkshire's main towns with easy access from surrounding communities, attractive to families and shoppers. The broad retail catchment and proximity to other local businesses contribute to steady walk-in traffic.

Business Sale

The sale includes all fixtures and fittings, a fully functional EPOS till system, CCTV and alarm systems, making this a ready-to-operate retail opportunity for a new owner. Stock will be negotiated separately, and is not part of the goodwill premium.

Little Darlings also has an active social media presence, particularly on Facebook where there are over 5,000 followers. This provides an excellent platform for future marketing and engagement growth - all included in the sale.
