Description

The property is a modern detached unit constructed in the mid 2000's and forming part of a 4-unit estate known as The Gateway Business Centre. The unit is of steel portal frame construction with block and profile steel elevations under a pitched roof incorporating translucent roof lights. The unit benefits from first floor office accommodation and a rear yard offering access to the warehouse via a single shutter door.

Location

The New Powerhouse is located on Kangley Bridge Road, Sydenham, within the London Borough of Bromley which is approximately 7.2 miles to the southeast of central London. The A205 south circular road is within 2 miles to the north property. Lower Sydenham railway station is situated approximately 650 metres to the northeast of the Property and provides direct access to London Bridge (17 mins), London Waterloo East (22 mins) and London Charing Cross (25 mins).
