DESCRIPTION

The premises comprise of a high bay industrial warehouse configured over two main interconnected units. The main warehouse is 8,142 sqft and the secondary warehouse is 3,266 sqft respectively. Both warehouses benefit from a clear open plan layout and have dedicated goods access via electric roller shutter doors, with the secondary warehouse benefiting from a 16m deep loading apron. The unit further benefits from a minimum height of 7.5m and allocated parking located to the front of the unit.

Available for a wide range of storage and industrial uses.

LOCATION

The premises are situated on Fourth Way in Wembley, the property forms part of the well-known Wembley Stadium Industrial Estate. The area is currently undergoing major redevelopment with the completed London Designer Outlet and numerous residential developments.

Conveniently located the unit provides quick access to the A406 North Circular Road which in turn provides access to the M1 North and the Hanger Lane gyratory system southbound providing arterial system to the A40, M40 and M25 motorway networks. Wembley Park underground station serviced by the Metropolitan and Jubilee Lines is within walking distance. Various bus routes also service the area.
