Description

The subject property comprises a detached industrial unit of steel portal frame construction with part brick, steel profile clad and glazed elevations.

The property benefits from a single loading door and has a minimum eaves height of 6m. The yard area can be fenced, subject to planning, to create a secure yard area.

Internally there is a generous office provision across ground and first floors, with WCs on both floors. Some of the office space can be removed as required.

The property is currently undergoing a comprehensive refurbishment which is due to complete June 2025. The refurbishment will include a new roof, PV panels and EV charging and is targeting an EPC A. The property will also benefit from a generous power supply of 420KVA.

Location

Unit 1 Groundwell Industrial Estate is strategically located just 6 miles from J.15 of the M4, with access provided by the A419 dual carriageway. The area is an established industrial location and is just 3 miles north of Swindon town centre.
