Unit 8, Nappers Mews, 15 Kirk Street, Lochee, Dundee, DD2 3UY

Description

The subjects comprise a modern starter unit constructed within a prominent secure enclosed gated site with 3 allocated parking spaces.

The unit is of steel portal frame construction with insulated cladding, concrete floor, block walls under a pitched profile clad roof. Access is taken via an electrically operated vehicle access roller shutter door or single leaf pedestrian door. The unit benefits from a mezzanine floor, office area, kitchenette in addition to 3 phase power and florescent strip lighting supplementing natural light provided through translucent roof panels.

Location

The subjects are located in a prominent position close to the junction of Coupar Angus Road and South Road, to the site west side of Lochee, approximately 1.5 miles north west of Dundee City Centre. The area is a well-established retail and business location surrounded by densely populated residential housing, with the site fronting on to a busy and prominent arterial route which benefits from significant passing traffic. The Kingsway, Dundee's outer ring road connecting the A90 (Edinburgh to Aberdeen), is within a 5 minute drive.

Dundee is Scotland's fourth largest city with an estimated population of 145,000 and a catchment population in the region of 515,000. The city is the regional centre for commerce, retailing and employment within the Tayside region. Dundee is located on the east coast of Scotland with 90% of the country's population within 90 minutes drive time. The subjects are situated on a prominent corner site to the West of Lochee which is a well-established retail and business location surrounded by densely populated residential housing.
