Description

Westpoint is a development of 12 industrial / warehouse units developed in the early 1990's, of steel portal frame construction with elevations of brickwork and steel profiled cladding. The unit has a sectional up & over loading door in the front elevation measuring 3.1 m wide x 4.8 m high. Internally, the unit has office, small kitchen and male and female toilets, all on the ground floor. The unit is fitted with LED lighting.

Location

Chippenham is a popular and expanding town located approximately 4 miles south of the Junction 17 of the M4 Motorway, approximately 13 miles east of Bristol and 12 miles west of Swindon. Bumpers Farm is the primary industrial estate in the town, situated immediately adjacent to the A350 Chippenham western by-pass, that is currently (September 2025) undergoing improvement work to include an improved entrance into the Bumpers Farm Estate
