Description

Victor Harris is proud to introduce 67 Grosvenor Street which offers a total of 10,702 square feet of fully managed, design-led workspace spread across six beautifully appointed floors.

Set on Mayfair's esteemed Grosvenor Street, this historic building has been elegantly reimagined to blend its storied heritage with a sophisticated contemporary design.

The office boasts a beautifully landscaped private garden, offering a serene retreat in the heart of London's most iconic neighbourhood.

Location

Located on one of London's most sought-after streets, 67 Grosvenor Street enjoys an unrivalled Mayfair location, just moments from iconic Mount Street and Grosvenor Square, which is set to reopen in July 2026 as a beautifully reimagined wildlife haven. The office is just moments from the neighbourhood's designer fashion boutiques, fine-dining restaurants and cultural landmarks.
