Description

This superb property located in the heart of Bury has just undergone a full "back to brick" programme of refurbishment creating a particularly bright airy space. With two front doors three large open plan rooms, an office/stock room, kitchen and four W.C.s the layout would potentially suit a wide variety of potential uses. The property is fully double glazed and warmed by a top of the range gas boiler. To the front of the property there is enough space to create a couple of parking spaces accessed over the dropped kerb. For more information or to arrange a viewing please contact the office.
