Description

Gibson House was sympathetically developed by our client and completed in the mid 1980's.

The first floor provides an exceptional working environment which is approached via a staircase leading from the ground floor side entrance lobby.

The ground and first floors are divided into two well apportioned office areas using demountable glass partitioning. The ground floor provides 2 WC's, kitchen and dedicated server room. The first floor also provides an additional WC and separate boardroom.

Location

Gibson House is very well located in the pleasant Tadley village of Charter Alley. The A340 Aldermaston Road provides fast access to Basingstoke (7 miles) going south and Tadley (4 miles) going north. Ramsdell is 0.5 miles west providing access to the A339 Basingstoke to Newbury Road. Newbury is approximately 13 miles distant.
