- Further 2,500 sqft mezzanine floor (can be removed)

Description

A prominent, modern mid terrace unit with car parking at the front, 6.4m eaves height (5.7m clear internal height), an electronically operated roller shutter door to a separate rear loading area, three phase power, mains gas and LED lighting. There is currently a substantial 2,500 sqft mezzanine floor in the unit. This could be removed if not required by an ingoing tenant. The undercroft area of the original base build offices is currently fitted out as a kitchen.

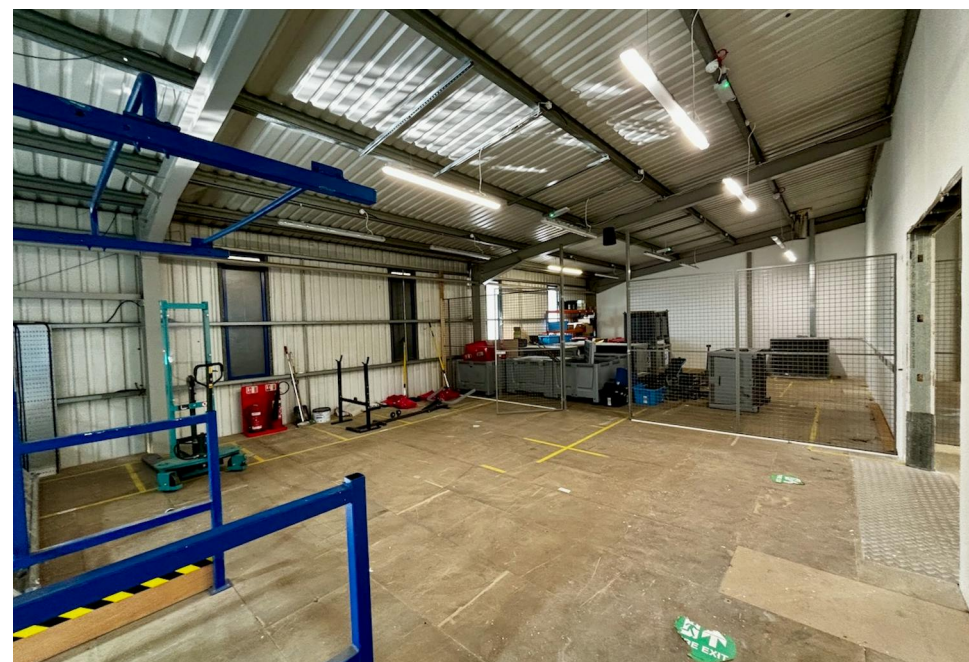

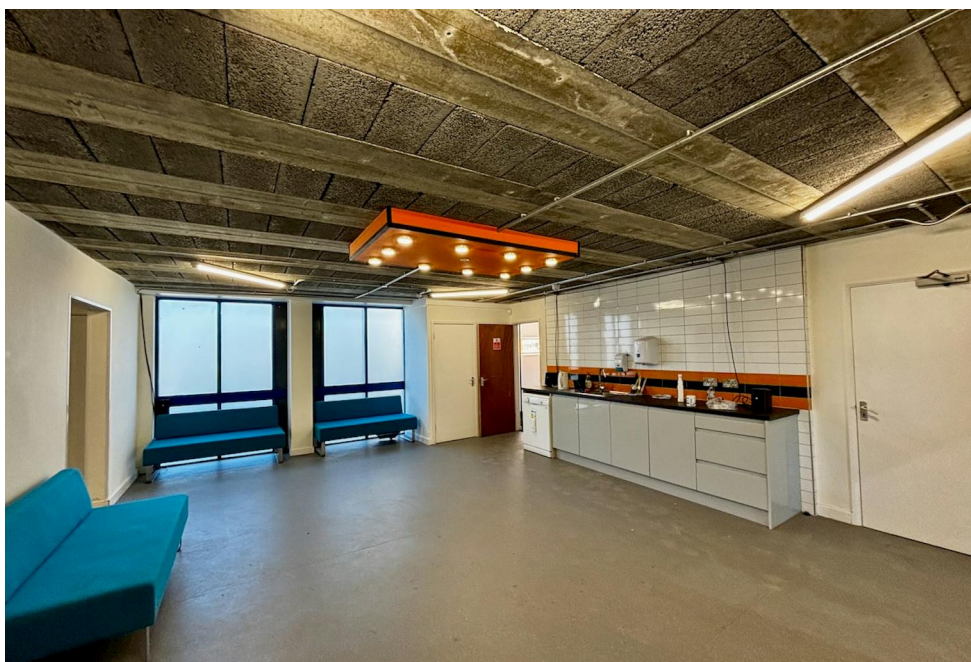

Location

Railton Road is a development directly off of Wolseley Road which forms part of the Woburn Road Industrial Estate in Kempston - one of the key industrial and warehouse areas within Bedford with direct access to the A421 dual carriageway via the Marsh Leys Roundabout. The A421 links M1 Junction 13 (7.5 miles away) with The A1 at Black Cat Roundabout (11 miles away). Improvement works to Black Cat Roundabout are due to complete in Spring 2027. These works will reduce congestion at the junction and provide a direct dual carriageway link between Bedford and Cambridge. Bedford town centre is 3 miles away, whilst Bedford train station is just over 3.5 miles away.
