Description

Axis 5 @ Lichfield South is a prime new development comprising 5 high specification industrial warehouse units. The site forms a natural expansion to the popular Lichfield South business park and benefits from existing retail and leisure on site including David Lloyd Health Club, Holiday Inn Express, McDonald's, Costa and Subway.

Location

The Cathedral City of Lichfield is located just north of Birmingham in south-east Staffordshire and is centrally positioned at the heart of the strategic transport network. It is located on the edge of the West Midlands conurbation and has played a major role in the recent expansion of commercial, logistics and industrial sectors within the area, with regionally dominant developments such as Fradley Park on the A38, and Lichfield South on the M6 Toll bringing hundreds of local and national jobs.

Terms

The units are available on a leasehold basis.

Planning

The units are suitable for flexible employment uses within Use Classes E, B2 and B8, covering light industrial, general industrial and storage and distribution. However, interested parties should rely on their own enquiries with Lichfield District Council.
