Description

Unit 10 Bilton Road is a modern, refurbished terrace unit of steel portal frame construction, with profiled metal cladding and ancillary offices with double-glazed windows.

The unit benefits from a generous car parking ratio and a dedicated service yard to the rear. The open plan offices are accessed via an entrance lobby and benefit from kitchenette and WC facilities.

The warehouse area has a clear internal height of approximately 6.5m, and is entirely column-free with extensive natural light via the roof lights. Full-height loading doors provide access to the dedicated service yard.

Location

Basingstoke is well located approximately 48 miles from Central London and 32 miles from the port of Southampton on the south coast. The town is surrounded by open countryside, without an immediate catchment area, approximately 13 miles south of Reading, 15 miles south west of Blackwater Valley towns, 20 miles east of Andover. The town enjoys very good road and rail connections, having a mainly dual carriageway ring road and being located adjacent to Junction 6 and 7 of the M3, and on the mainline between Southampton and Waterloo. A typical fast train journey from Basingstoke to London Waterloo takes approximately 45 minutes.

Kingsland Business Park is Basingstoke's prime business industrial park and is located approximately 2 miles to the north east of Basingstoke town centre and railway station (journey time to London Waterloo approx 45 minutes) and is easily accessed via the A339 northern and eastern ringway. Junction 6 of the M3 is 3 miles distant. Frequent bus services operate between Chineham Shopping Centre and Basingstoke town centre via Wade Road, the main spine road through Kingsland Business Park.
