Description

A fantastic opportunity to occupy a substantial commercial site extending to approximately 20,000 sq ft, offering a highly versatile combination of offices, workshops, industrial accommodation and extensive yard space.

The main building provides approximately 2,328 sq ft of first-floor office accommodation, comprising a large open-plan working area alongside several separate rooms suitable for meetings, private offices or breakout space. The ground floor extends to approximately 3,314 sq ft and provides a flexible mix of office and workshop accommodation.

There is an additional 685 sq ft of mezzanine space in the main building off of the warehouse.

A separate building provides a further 1,242 sq ft industrial unit, complemented by approximately 751 sq ft of mezzanine accommodation.

Externally, the property benefits from a substantial yard area, ample on-site parking, and approximately 1,180 sq ft of open-sided covered storage/workspace.

The combination of office, workshop, industrial and external space, together with generous parking provision, makes the property particularly well suited to businesses looking to accommodate a range of operations from a single site.

Location

Situated on Rawreth Industrial Estate, it is a well established and secure location. Strategically positioned, the estate offers exceptional transport connectivity, with easy access to the A13, A127, and A130, ensuring seamless links to Southend, London, and the wider motorway networks.
