Prominent Self Contained Industrial Facility with Yard

- Self Contained Site of 1.3 Acres - Low Site Coverage of 58.6%
- Excellent Communication Links - Close Proximity to A38, A38(M) and J6 M6
- Steel Portal Frame Construction
- Level Loading To Each Unit
- Freestanding Overhead Cranes

DESCRIPTION

The estate comprises six industrial units split into two terraces of two units and four units respectively, arranged in an “L” shape either side of a central yard.

The units are of steel portal frame construction, with brick and metal profile clad elevations under a corrugated cement sheet roof incorporating translucent roof lights.

Eaves height ranges from 4.6m to 5.0m. Each unit benefits from a single ground level roller shutter door and a shared tarmacadam surfaced parking area, with 33 marked spaces in total, situated to the front of each unit. The site is secured by a metal sliding gate accessed off Bickford Road.

LOCATION

Witton is an established industrial and logistics location on the fringe of Birmingham city centre, at the heart of the UK's central logistics network, approximately 4.0 miles north of Birmingham City Centre.

The estate benefits from unrivalled access to the national motorway network, bound by the A38, Spaghetti Junction, providing direct access to Junction 6 of the M6 motorway and the A38(M), connecting the property to the wider motorway network.

The majority of industrial premises in Witton are concentrated in close proximity to the subject property, including established estates such as Electra Park, Junction Six Industrial Estate & Holford Industrial Estate.

The property is situated on Bickford Road, close to the established business location known as 'the Hub', and approximately 0.5 miles east of Witton railway station, which provides a direct link to Birmingham New Street in around 10 minutes.

The estate is in an established industrial location, with a number of national occupiers in close proximity, including Kitchen Craft, TNT, Matthew Clark, Iron Mountain.
