Description

Unit 5 is a small, end of terrace unit suitable for workshop or storage use. It has a maximum internal floor to ceiling height of approximately 3.36 metres, with a sliding loading door in the front elevation approximately 2.38 m wide x 2.40 metres high. There is a small partitioned room to the front of the unit, that could be fitted out as an office, or could be removed if full open plan space is required. The unit has a good number of electric sockets attached to the walls and LED strip lighting.

There is a parking space directly outside the unit.

Location

Melksham is a popular and expanding town located in mid Wiltshire on the strategic A350 that links Junction 17 of the M4 motorway

The Bowerhill Industrial Estate is the well-established and major employment area of the town located approximately 1.5 miles east of the town centre and accessed off the A350.

Existing occupiers on the Indus Acre development include Tool Station and Screwfix.
