Description

The premises comprise a modern, end-terraced light industrial unit access via a single level loading door and personnel entrance. Externally there is a small, concreted yard (accessed via a shared road) and one parking space. The unit is Freehold.

Location

Great Harwood is located in the North West of England in the borough of Hyndburn. The town is located approximately 4 miles northeast of Blackburn, 5 miles west of Accrington and 28 miles north of Manchester.

The site offers convenient access to the M65 motorway via Junction 7 (approximately 3 miles south), providing direct routes to Preston, Blackburn, and the wider motorway network. The A679 runs through Great Harwood, connecting the town to neighbouring commercial areas and facilitating efficient distribution operations.

Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

Energy rating and score

This property's energy rating is C.

Properties get a rating from A+ (best) to G (worst) and a score.

The better the rating and score, the lower your property's carbon emissions are likely to be.

How this property compares to others

Properties similar to this one could have ratings:

If newly built	29 B
If typical of the existing stock	117 E

Breakdown of this property's energy performance

Main heating fuel	Natural Gas
Building environment	Heating and Natural Ventilation
Assessment level	3
Building emission rate (kgCO ₂ /m ² per year)	15.75
Primary energy use (kWh/m ² per year)	118
