Description

Each office in the unbranded building is fully serviced by discreet and attentive personnel who provide a dedicated reception, personalised call answering, mail handling and business support service.

Location

33 St James’s Square is a grand listed property built in 1770 and designed by the architect Robert Adam. Located in the heart of the Square, serviced offices at number 33 are well served by Charing Cross, Embankment, Westminster, Green Park and Piccadilly stations. Offices are arranged over nine floors and finished to an exceptional standard.
