Description

The premises comprise a traditional steel truss framed warehouse building with brickwork elevations to a double pitched roof. Access to the warehouse for loading/unloading purposes is available through the double shutter doors situated on the front elevation. A mezzanine area has been added at the rear to create additional storage. The first-floor office space further benefits from suspended ceilings, LED lighting and carpet tiles.

Location

Abbeydale Road is located approximately 6 miles west of Central London and near the junction of the A40 and A406 (North Circular) the area has excellent transport links. The A406 provides direct access to the M4 (junction 1) approximately 3.5 miles to the south and the M1 (junction 1) 4 miles to the north. The A40 provides links directly with the M40 (junction 1) approximately 12 miles to the west. The area also has excellent public transport links with a number of London Underground stations within walking distance including Alperton (Piccadilly Line), Hanger Lane (Central Line) and Stonebridge Park (Bakerloo Line).
