Description

Bubbles is a highly regarded independent childrenswear retailer with a loyal customer base built over many years of successful trading. The business enjoys an excellent reputation for quality products, customer service and repeat trade. The business benefits from a strong brand identity and an established online presence, supported by an engaged social media following that generates both in-store and online sales.

Location

Bubbles occupies a prominent position in Motherwell town centre, serving a substantial catchment across Lanarkshire and the wider Central Belt. Excellent road and rail links support strong accessibility, while free parking to the rear of the shop provides added convenience for customers. With few specialist independent childrenswear retailers remaining in the area, Bubbles has established itself as one of the leading childrenswear stores in Lanarkshire and the West of Scotland, attracting customers from a wide geographical area.

Business Growth Opportunity

While Facebook marketing is already well developed, there remains significant scope for a hands-on owner to further grow the business through TikTok, influencer partnerships and video-led content aimed at new customer demographics. Additional opportunities exist to expand e-commerce, social selling and digital advertising, providing an excellent platform for future growth from an already market-leading position.
