

UPPER ST MARTINS LANE

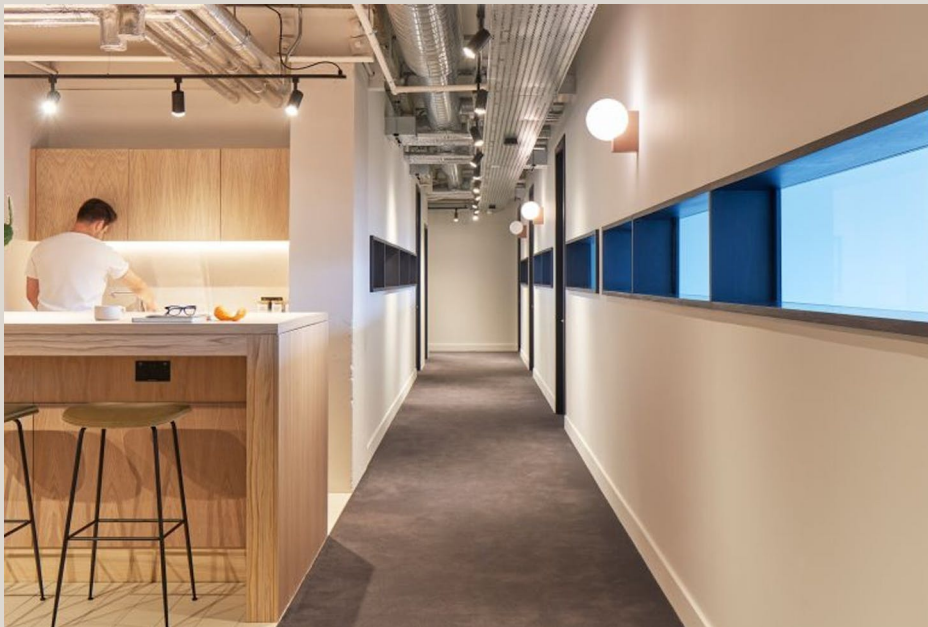

Covent Garden

LDG

Upper St Martins Lane

DESCRIPTION

Built on the site of an original building by Basil Spence, a key figure of Modern architecture, we worked with Ben Adams Architect to create a new, sophisticated and revitalised workspace within the buzz of the West End. Inspired by its surroundings in Theatreland, with cinematic globe lights and unexpectedly striking views over the rooftops of Leicester Square and surrounding theatres.

HIGHLIGHTS

- 24/7 Access
- Wi-Fi
