Description

The premises comprise an established restaurant arranged over the ground floor and basement, extending to approximately 1,745 sq ft (162.12 sq m) in total.

The ground floor provides the principal trading accommodation and benefits from a prominent glazed frontage onto Prince Albert Street, outside seating and excellent natural light from both the front and rear. A rear roof lantern/skylight provides additional natural light to the accommodation, while three separate entrances/exits provide access from Prince Albert Street and Nile Street.

The current restaurant layout incorporates a dumbwaiter, disabled WC / baby changing facility and ancillary storage at ground floor level. The basement provides further operational accommodation, including separate male and female customer WCs, staff locker facilities, separate male and female staff WCs, an office and extensive storage areas.

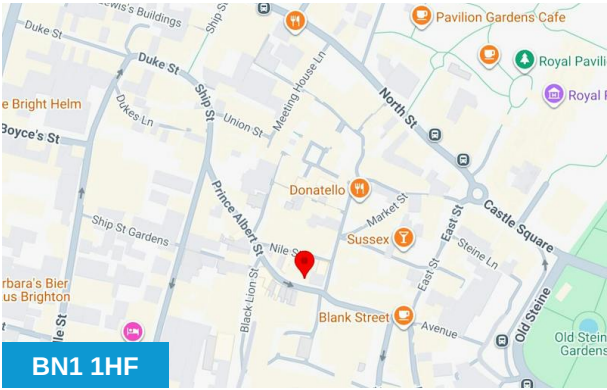

The property is currently occupied by PizzaExpress, whose lease expires in December 2026. The premises are anticipated to be returned following completion of the outgoing tenant's dilapidations obligations, providing an incoming restaurant or food and beverage operator with the opportunity to undertake a bespoke fit-out within an established and highly sought-after Brighton Lanes location.

Location

22–23 Prince Albert Street occupies a prime position in the heart of Brighton's historic Lanes, one of the city's most established and sought-after restaurant, retail and leisure destinations.
