Description

The property has been established as a car sales showroom for a considerable number of years and more recently as a showroom for hot tubs and saunas and comprises the front half of a detached building of brick construction, having a two storage frontage to Highfield Road, with showroom to the ground floor and offices at first floor level together with rear service workshop.

The whole of the property stands back from the road behind a tarmac forecourt, providing display parking for approximately 17 vehicles.

Access to the showroom is by way of timber concertina doors from the front elevation and a sliding aluminium door to the side elevation. Internally the floors are of solid construction and the property has a suspended ceiling throughout with fluorescent lighting.

Location

The premises are located on the corner of Highfield Road and Blackburne Road in Hall Green, some 5 miles south of Birmingham City Centre. Highfield Road provides excellent access to the A34 Stratford Road and is one of the main arterial routes serving Birmingham City Centre. The surrounding locality is a mixture of residential and retail properties.
