Description

A brick built industrial unit within one of the former SKF blocks on Sundon Park Road. The current owner has significantly invested in the property during their occupation including a new roof in 2017, the installation of 5 electronically operated up and over loading doors and the installation of LED lighting. Two storey offices sit at the front of the property where there is a dedicated car park with space for approx 18 cars (or more with double parking) and the option to load via two doors.

The factory area includes a small mezzanine of 2,350 sqft approx and has a clear internal height of 4.85m. We are currently making enquiries regarding the capacity of the three phase power supply and the mains gas. At the rear of the property there is a gated yard of approx 12,000 sqft and 3 further loading doors. The unit is offered for sale with vacant possession.

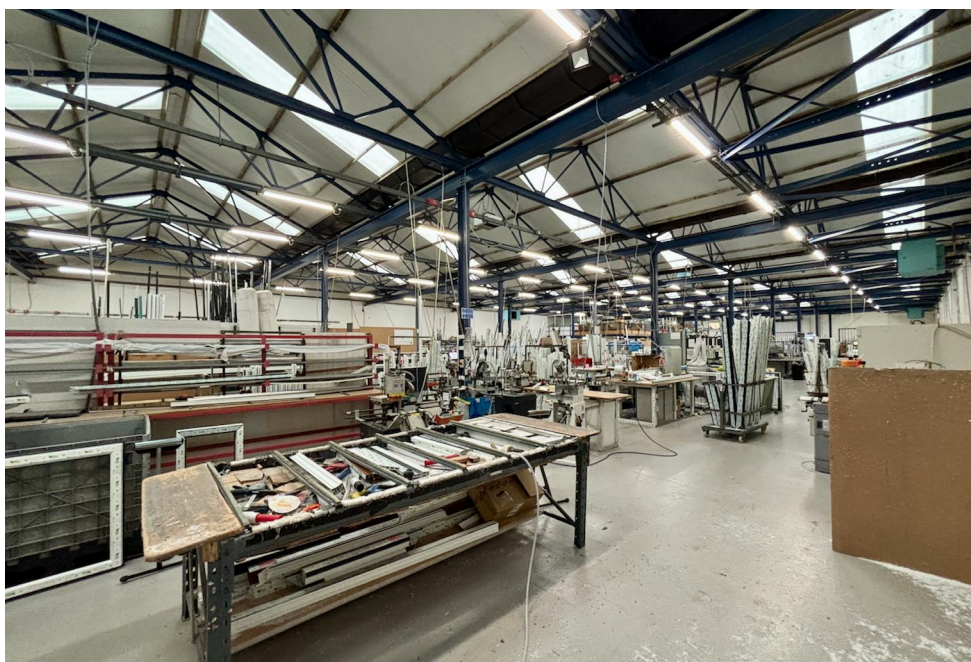

Location

The unit forms part of Sundon Industrial Estate within the Sundon Park area of Luton and is accessed off of Dencora Way. Sundon Park has good access to the M1 Motorway via M1 Junction 11A which is 2.4 miles away. The unit is 1.2 miles from Leagrave Train Station with regular services to London St Pancras. Nearby occupiers include SKF, Bristol Laboratories, Booker and Honeywell.
