Location

Park Royal has long been recognised as one of London's most established and strategically important industrial and commercial hubs. NW London Commercial proudly manages a range of estates across this key location, including Royal Leisure Park, Kendal Avenue, and Dukes Road — each offering businesses prime positioning within West London's most connected industrial district.

Once known for its role in London's post-war manufacturing boom, Park Royal remains at the heart of commerce, logistics, and creative industries today. With immediate access to the A40, A406, and close links to Central London and Heathrow, Park Royal offers unrivalled connectivity by road and rail.

The Estate is directly managed by the Landlord, NW London Commercial. Each Tenant is assigned a dedicated Estate Manager, fostering a personalised and responsive relationship between landlord and tenant. This hands on management approach ensures clear communication and efficient support for all businesses operating on the estate.

Terms

The unit is available by way of a new lease for a term by arrangement.

AML Requirements

Prospective purchasers/tenants must provide satisfactory identification documents and information regarding the source of funds. These checks will be carried out by an independent party before any agreement is formally entered into. The tenant or purchaser will be responsible for these costs.
