	No Revision	Date	Initial Chkd

KEY -

- Net Internal Area: 737 sq m
- Gross Internal Area: 1190 sq m
- Atrium / Reception Spaces: 106 sq m

NOTE:
 Roof plant and undercroft carparking have been excluded. Reception, atrium base, store rooms and ITC rooms have been included in the NIA.

Otherwise these areas have been calculated in accordance with the RICS Code of Measuring Practice, Sixth Edition.

These areas have been measured from preliminary drawings and are subject to the following:
 1) variations arising from design development and/or construction.
 2) adjustments to take into account industry standard tolerances during construction.
