**These AlphaCode Website Terms of Use apply to the use of the AlphaCode Website and the Content provided by AlphaCode. Please read these AlphaCode Website Terms of Use carefully.**

**All of the terms and conditions in these AlphaCode Website Terms of Use are important, but please pay special attention to the parts that are inside a box with bold writing. These parts contain information about terms and conditions that have special consequences for you.**

## 1. Scope of the Terms

### 1.1 Your agreement to comply with the Terms

1.1.1 You must agree to these AlphaCode Website Terms of Use (the "**AlphaCode Website Terms**") if you want to use the AlphaCode Website or access the information and materials that are available on the AlphaCode Website (the "**Content**"). If you use the AlphaCode Website, we will treat this as if you have agreed to these Website Terms and you will be deemed to have agreed to these Website Terms.

1.1.2 These Website Terms are a legal contract between you and us. If you do not agree to the AlphaCode Website Terms, you must immediately stop using the AlphaCode Website and the Content.

## 2. Meanings of words and phrases in the AlphaCode Website Terms

2.1.1 Specific meanings (definitions) have been given to some words and phrases in the AlphaCode Website Terms. These words and phrases start with a capital letter. The only defined words that do not always have a capital letter are the words 'you', 'we' and 'us'.

2.1.2 A full list of the defined words and phrases, and also the meanings we have given them, is in paragraph 14.1. Sometimes the definitions of a word or phrase can also be found in a paragraph where we use the word or phrase (in the same way that in paragraph 2.1.1 above the phrase "AlphaCode Website Terms of Use" is defined as these "Terms"). These words and phrases that have been defined will have the same meaning wherever they are used in the AlphaCode Website Terms.
