

## PRODUCT GUIDES – PART-TIME

### EXCITING NEW JOB OPPORTUNITIES IN THE CHICAGO AREA

Salomon is looking for Part-time Product Guides to work in our Aurora factory outlet store.

We are looking for dynamic individuals who are talented, fun, and active people with an entrepreneurial spirit who are passionate about creating and enhancing the Arc'teryx brand experience.

Salomon is a subsidiary of Amer Sports Corporation, the world's largest sports equipment company, with internationally recognized brands that include Wilson, Atomic, Suunto, Arc'teryx, Mavic and Precor.

#### RESPONSIBILITIES

- Operate POS system and process sales transactions
- Greet and engage consumers in the store and on the phone, offering excellent customer service
- Maintain a strong understanding and descriptions of current products
- Maintain knowledge of current stock availability on the sales floor and in backrooms
- Actively maintain store appearance, keeping merchandise stocked and organized, while ensuring that the store itself is clean and well presented
- Assist with inventory counts when required
- Assist with re-stocking and pricing duties, including sale preparation as required
- Participate in staff training and store events as required

#### QUALIFICATIONS

- Strong command of spoken English
- Willingness to work a flexible schedule that may include weekends, evenings, holidays and special events
- Passion for the activities that Arc'teryx makes products for
- Previous retail experience
- Sense of humor

Salomon is an Equal Opportunity Employer. For more information about our brand, visit our website at [www.salomon.com](http://www.salomon.com)
