greatly endangering the health of the Inmates in compliance with which Remonstrance all have taken an Auxiliary Workhouse Clogheen House the only accommodation available in this Union the Commissioners must therefore see it is totally impossible for the Guardians of this Union to allocate 1/8 of this present Workhouse accommodation for the use of the Mitchelstown for they have not accommodation sufficient to meet the demands at present upon themselves they also beg to state that they have handed over to the Mitchelstown Union the Auxiliary Workhouse at Galbally sufficient to accommodate 400 Paupers and also the Fever Hospital at Ballylanders sufficient to accommodate 50 together with Sanitary Officers belonging thereto so that while we have sent the Guardians of the Mitchelstown Union we have at the same time sent them accommodation for 450 thereby leaving our own Workhouse accommodation by so much and leaving them little more than 100 paupers to provide for which they may easily do either by providing Auxiliary Workhouses in the two Unions of Mitchelstown or by giving out door relief we beg also to state that instead of having spent we have been £17,000 and we also beg to state that the Electoral Divisions of Galbally and Ballylanders upon one this Union about £3,500 of the Commissioners therefore insist on our providing for the Mitchelstown in addition to our own which under our present circumstances we are sure they will not do only means of complying with so unreasonable and oppressive an order will be by affording Out door Relief in the Mitchelstown Union for the Paupers of that Union assigned to us and if compelled to do so not having Means sufficient for our purposes we should receive Funds from the Commissioners we are also sure that the Commissioners must have made this order

in case of Our present existing Workhouse accommodation and pecuniary means and that they are not aware that the Union and town of Mitchelstown can afford adundant accommodation for the use of the Guardians of Mitchelstown for any demands on them who are Gentlemen of Intelligence and local knowledge and influence and who if they Choose to get themselves can more easily and economically for them Purpose than it is in the Power of the Guardians of this Union to do distant as they are from Mitchelstown and with such a load of debt imposed on themselves.
