The following Letters from the Local Government Board and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively, as follows:—)
152. M. 74. } Circular from L. Government Board requiring usual monthly returns as to rates.

17657. 74. } From L. G. Board forwarding a copy of a letter received by that Board from Mr William Ryan in reference to the Clerk's Estimate of rate for Kilminee E.D., for the consideration & observations of the Guardians.
11. Aug^t }
Mr Ryan, letter, dated 31st July, states that on examination of the estimate he finds it is entirely too high for the ensuing year; as it is made to provide for 36 Pumps which is the highest no. from Kilminee for 1874. the no. at present being 17 only. He then makes an average between the high & low numbers, which he gives as 26. the cost of these no. be £260. the result of Mr Ryan's deductions he shows w^d leave a sum of £743. to be raised which w^d require a rate of 2/11 instead of the reduced rate of 3/2 - h: h: h:

The following observations of the Clerk in refce to the foregoing were read: With refce to Mr Ryan's letter to the L. G. Board, in which it is suggested to reduce the cost of maint^{ce} for Kilminee E. D. from 36 the average daily no. of divisional inmates to 26 being the mean between 17 the no. in House on

On 25 July & 36 the average no. it may be convenient to consider the following remarks.

It is stated that 36 is the highest no. from Kilminee for 1874. The relief lists show that in the 22. week of last 1/2 year 49 persons were relieved from that division and in the 3rd week of the current half year - 42 persons relieved.

In fact the word "average" applied to the no "36" would be a misapplication of that word, if the highest no. had been taken. But 36 is the true average of the 12 mo. ended 25 March 74.

The reduction proposed will, added to the general reduction of 2^d on every division equal a reduction of £106. 15. 0 on the required expend^t. for Kilminee.

Taking the resolution of 30 July. as conclusive the rates are now in progress of calculation & the rate receipt books, Notices &c. are drawn from the Printer. It w^d be necessary therefore that the final decision of the Board as to the Borrowings should be promptly known as the time is limited.

Ordered: To be entered on the Minutes and a copy to be sent to Mr Ryan for his information. The board would not recommend any further reductions in the proposed rates.

18143-74. } From same referring to the resolution of last Board day 12. Aug^t } granting a sum of 4-0-0 to the Porter to purchase his clothes in future: upon his producing receipted bills for that amount; stating, that the proposed arrangement is objectionable - the clothes should be provided by direction of the Guardians, & the cost paid in the usual way.
- Cheque cancelled accordingly.

11. Aug. 74. } From the Reg. General to the Clerk, as Sup^t Rep^r. of the Union, stating he is informed by the Inspector that there is no drain to carry off the rain water which falls from the roof of the Register office; & the foundations are therefore frequently wet & requesting the Clerk to bring the matter before the Guardians & report the result to him.

Order. The Master to have the necessary alterations made as soon as possible.

11 Aug. 74 } From J. M. Kiernan (Manager Munster Bank, Kilmallurk) in
 reply to the Clerk's letter of 7th Aug. Stating that his
 directors have authorised him to allow the Guardians
 ofc at his office to be overdrawn to the extent of £2500. til
