

SIXTY-NINTH ANNUAL REPORT
OF THE
LIMERICK LYING-IN HOSPITAL,
BEDFORD-ROW.

For the Year ending 31st December, 1879.

ESTABLISHED A.D. 1812.

The Governesses of this Institution, while returning thanks to the Subscribers, are happy to be able to add that their benevolent contributions have been the means of relieving 119 Patients, all of whom have been discharged in health and safety, and were truly grateful for the care and kindness with which they were treated.

Those who have witnessed the sufferings of the wives and mothers of the poor who meet their hour of trial in a crowded hovel, or dreary cellar, can alone appreciate the benefit of this Institution, which secures to them safety, comfort, and a quiet, and in many cases provides clothing for both women and children.

The thanks of the public are also due to the Medical Gentlemen, whose valuable, ready, and gratuitous services have been such an inestimable benefit to the poor and needy.
