

8. SALARY:

£629 per annum x £22 per annum - £739 per annum x £28 per annum -
£879 per annum, plus £28 per annum on all points of the scale for
being qualified in and engaged in Midwifery.

x A deduction of 5% of remuneration will be made for superannuation
purposes unless at the time of her appointment she is a pensionable
officer of a local authority who is not required to contribute
towards superannuation under the terms of a prior appointment

Where goods and services are supplied deductions at the following
rates will be made from salary:-

x Rations £100 per year (i.e. 5/6 per day)
Laundry £5. 0. 0. per year.
Uniform £15. 0. 0. per year.

Note: Apartments, if provided, will be charged at £52 per year.

x The introduction of canteen facilities are under consideration at
present. If introduced a charge per meal will be made in lieu of
a fixed deduction per day.

January, 1967.

Dear Dr. Holmes,

re/ Bedford Row Hospital

I have been in contact with Miss Hogan regarding the additional charge on patients. She advised me that you have instructed her not to levy the extra charge on patients who have booked in to date.

In view of the fact that the majority of beds have been booked as far on as January 1968 the decision taken will affect the financial position of the hospital and in my estimation the amount of unrecoverable revenue expenditure will amount to £761:-

Year Ending 31/12/1967:

| | | |
|---|---------------|------|
| $\frac{1}{4}$ of New Expenditure re Wages | £1,716 | |
| Less/ $\frac{1}{4}$ of Old Expenditure re Wages | <u>£1,145</u> | |
| <u>Unrecoverable Expenditure</u> | £571 | £571 |

Year Ending 31/12/1968:

| | | |
|--|-------------|-------------|
| 1/12th of New Expenditure re Wages | £572 | |
| Less/ 1/12th of Old Expenditure re Wages | <u>£382</u> | |
| | £190 | <u>£190</u> |
| | | <u>£761</u> |

Taking these facts into consideration I would be glad to have your observations-

Dear Doctor,

re: Salary Scale - Bedford Row

I have again been in contact with the Limerick Health Authority regarding the 9% National increase. The following is an extract from their reply.

"Under the scheme of Conciliation and Arbitration revised rates of remuneration have been recommended for certain grades of nursing staff and enclose details of same. The increase involved is greater than 9% and the revised rates are subject to the sanction of the Minister of Health. I will be applying for such sanctions within the next few days."

Revised Scale re Registered Staff - Midwife - Operative from 1/6/1968

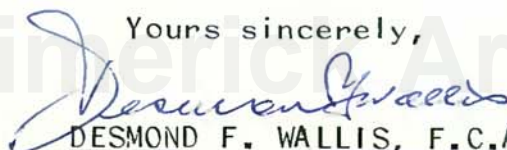

£650 x £24 (5) - £770 x £29 (5) - £915 Plus two long increments of £35 each at the completion of 15 years and 20 years respectively.

Present Scale in Bedford Row

£629 per annum x £22 - £739 x £28 per annum £879 plus £28 per annum on all points of the scale for being qualified in and engaged in midwifery.

As Mrs. Quinlan is anxious to get this matter finalised I would be obliged if you would let me have your comments on the above early next week.

Yours sincerely,

DESMOND F. WALLIS, F.C.A.
