PS/146

Should the S.W. Health board agree to pay the hospital deficit for an agreed number of years the Trustees of --- will recommend that the --- take over the hospital, the --- owner a most valuable site the sale of which would provide the --- with valuable revenue with which to build a new Maternity block.

will apply to the H.H. Board in accordance with the Charter of the hospital, for permission to sell the hospital, proceeds to go to the Dept. of Health for the purpose of building a Maternity Block at either of the Regional Hospitals. This would comply with the wishes of the founder + the management committee feel that the H.H. board would be agreeable.
