

Dear Sir

I have the pleasure of informing you that I obtained this Day Serenight a renewal of Ned's Leave of Absence; your Application to the Prov^t will I hope procure the same Indulgence for the remainder of the Year. John's Stay in the Country has surprised me not a little, however I have too good an opinion of him to think it will be attended with any material inconvenience. His Greek for next Examin^t is the Electra & Oedipus Tyrannus of Sophocles - his Latin the Georgicks of Virgil - and his additional Science Heil's Astronomy; Ned can point out to him the Chapters to be omitted. I send you their Quarter's Notes which I forgot to take with me to the Country, and hope it will not be inconvenient to you to make me a remittance of the Amount viz £24:6:4¹ before the 12th of next Month. This Family unite in best Wishes for all Friends at Castle Lloyd with

Dear Sir, your very affectionate Kinsman
