

Rev Sir

Liberty June 21. 1787

P67/54

Rec^d your fav. I am thankful to
you for your good opinion of me & my Brothers it is
the wish of both of us truly to deserve by our mode of
dealing the approbation of all men. I made you
trust out for Ryan's Disposal of the Butter was very
pleasing to me, & I would always wish he would act
wth without any Cheane, w^{ch} would more firmly con-
vince you of my intention to do you Justice, he could
not get more than 52 for the Butter, he tried every
one, as to leave him at full Liberty, I told him I w^d
not buy it all. & I made him stand out for 50 &
I pressed the other buyers to give it, however as
they would not I took it myself & have placed the
lot to your credit. The Wth Thom Dwyer del. on
Sunday a part only of his Butter the contract for it was
made ~~on~~ on the Sunday before in w^{ch} it was agreed that
some of it should be deliv^d on Sunday, & I hoped to get
some from your 5 Cks from Wth Dwyer's ~~part~~
which I'm sure he'd give me if it was in his power
but he convinced me he could not by the orders he had
rec^d from Cork the evening before.

I am Rev Sir
Y^r very hum^l Serv^t
R. Ryan
