

My D^r Edw^d.

My poor Maria is still losing ground her cough is so bad that the Physicians have ordered her to drink the water in Malvern I will thank you to take a convenient lodging for her me and two women servants also if possible accommodation for three horses and two men servants. If you take them from Saturday next we will be there on that day the bearer is to wait for ^{an} answer from you how you have settled things for us and what may be necessary for us to take with us whether house linen or any thing else I am sorry for giving you this trouble but she has no time to loose I am my D^r Edw^d Y^r Aff^d
